## **CALL FOR PAPERS**

Journal of Educational Research on Children, Parents and Teachers (<https://ercptjournal.org/journal/>) welcomes submissions from prospective authors in the field of education and related disciplines.

### **Call for Manuscripts**

Researchers, scholars, teachers, administrators, specialists, and advanced graduate students are invited to submit manuscripts. The Journal of Educational Research on Children, Parents and Teachers is seeking theoretical and empirical articles that advance knowledge and theory in education regarding the welfare of children, teachers, and parents. Papers that derive data from quantitative, qualitative, and mixed-methods approaches will be considered. Papers may be submitted by prospective authors at any time of the year for consideration. This journal is published quarterly in both online and print versions.

### **Aims and Objectives**

The Journal of Educational Research on Children, Parents and Teachers, is a publication of the African Educational Research and Development Foundation (AERDF). The journal publishes theoretical and empirical articles that advance knowledge and theory in education regarding the welfare of children, teachers, and parents. Papers that derive data from quantitative, qualitative, and mixed-methods approaches will be considered. It is equally important to note that views expressed in articles published by the Journal of Educational Research on Children, Parents and Teachers do not necessarily reflect the positions of the African Educational Research and Development Foundation.

### **Submission Requirements**

Welcome to the Journal of Educational Research on Children, Parents and Teachers (ERCPT Journal) – bringing you high-quality articles by Professionals. The Journal of Educational Research on Children, Parents and Teachers is a high-quality research journal that is published by the African Educational Research and Development Foundation (AERDF). It provides a platform for researchers, academicians, professionals, practitioners, and students to share and disseminate knowledge through high-quality empirical and theoretical research papers, case studies, literature reviews, and book reviews. Manuscripts can be emailed to: [editor.jercpt2@gmail.com](mailto:editor.jercpt2@gmail.com)
